We Cannot Say Enough

Our household has used Brentwood Clean for about 5 years and we cannot say enough about this company!! We have been thrilled. It is such a joy to come home after they have been at our house – they leave it immaculate. Brentwood Clean has been especially great for lots of last minute, unexpected clean ups: in-laws surprise visit, last minute party prep, the day after a party clean up or the day after the flu has passed through the house. We also had a remodel done on our kitchen and bedroom and Brentwood Clean did the construction clean up. You would of never have known we had anything done. Jeannie (the owner) and her crew are always professional, very thorough and courteous. Some of the things I love:

- They are dependable (they always show up and on time).
- They are trustworthy – in five years nothing has been broken or gone missing.
- They are specific – if I leave a list or tell them on the phone what areas I want done – they do that.
- And I never feel like I have been overcharged. The prices are fair and accurate.

I can honestly say that Brentwood Clean has taken a burden off of our family, as we all have busy work and school schedules. We look forward to our cleaning day having Jeannie and her Brentwood Clean crew visit our house!! It is without hesitation that we recommend Brentwood Clean!!
